This report was prepared by Greenberg & Rapp, and reflects the current opinion of the firm, which may change without further notice. This report is for informational purposes only and is not intended to replace the advice of a qualified professional. Nothing contained herein should be considered as investment advice or a recommendation or solicitation for the purchase or sale of any security or other investment. Opinions contained herein should not be interpreted as a forecast of future events or a guarantee of future results. Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment will either be suitable or profitable for a client's portfolio. Economic factors, market conditions, and investment strategies will affect the performance of any portfolio and there are no assurances that it will match or outperform any particular benchmark.

Investors cannot invest directly in an index.

Diversification does not ensure a profit or protect against loss in a declining market.

Commentary regarding the returns for investment indices and categories do not reflect the performance of Greenberg & Rapp, or its clients. Historical performance results for investment indices and/or categories generally do not reflect the deduction of transaction and/or custodial charges or the deduction of an investment-management fee, the incurrence of which would have the effect of decreasing historical performance results. Figures contained herein are obtained from sources deemed reliable, but we do not guarantee its accuracy or completeness. Past performance is no guarantee of future results. Investments fluctuate in value.
